

## INTERESTING EVENTS ARRANGED FOR UNIVERSITY COMMENCEMENT

The fortieth annual commencement of the University of Utah will be held next week. An elaborate program has been arranged, which starts this evening and continues throughout the week. This evening starting at 8:15 o'clock the baccalaureate service will be held in the assembly hall. Dr. James E. Talmage will deliver the sermon. Before the services the graduates will be the guests of Miss Lucy Farnsworth at her home on South Temple street.

On Monday afternoon, between the hours of 4 and 6, President and Mrs. J. T. Kingsbury will receive at their home on Twelfth East street. The guests will be the members of board of regents, faculty, alumni, the graduating classes, former students and other friends.

The alumni and class days are Tuesday. In the morning the normal class day will be held in the assembly hall in the Museum building, starting at 10 o'clock. This will be a farce on school life written by the members of the class. During the lunch hour a band concert will be given. The college class day exercises will be given in the afternoon by the members of the college graduating class. This will start at 2 o'clock and will be one of the most amusing and entertaining events of the week. Throughout the day the girls of the Gamma Phi and Theta Upsilon societies and the graduates' clubs will serve tea and light refreshments. The reunions of the different classes will also be held on that day.

On Wednesday the fortieth annual commencement will be held. A band concert will be held early in the morning. At 10:15 the commencement procession will be formed and those who will take part will be the regents, the faculty, the alumni and the graduates. The commencement exercises will be held in the gymnasium, starting at 10:30 o'clock. Richard W. Young, Jr., the valedictorian of the seniors, will deliver an address on "The University and the Community," and George C. Ensign will present an essay for the normal graduates. Governor William Spry will give an address to the graduates and President J. T. Kingsbury will make his annual report.

The alumni banquet will be held in the gymnasium in the evening and preparation will be made for 400 persons. The graduates will be formally received into the alumni on this occasion.

## BIG WEEK FOR STORKS.

Still Many Contagious and Infectious Diseases in City.

Birth reports came in to the board of health office in lively style during the week, with the boys leading by seven. There were fifty-one births, of which twenty-three were girls and twenty-eight boys.

Deaths last week numbered twenty-one, twelve males and nine females, and six bodies were shipped here for burial.

There is still plenty of contagious and infectious diseases, forty-one cases being reported. These are: Smallpox, 6; diphtheria, 4; scarlet fever, 18; measles, 2; whooping cough, 7; chickenpox, 2; tuberculosis, 1.

There are nineteen houses quarantined for smallpox, forty-one for scarlet fever and seven for diphtheria. Seven cases of smallpox remain at the isolation hospital.

## CLAIM STORY IS FALSE.

Officials Deny That Family Suffered From Quarantine.

Walter J. Burton, county commissioner, who has charge of the pauper department of the work of the board, and James Sabine, pauper clerk, deny a story given credence by a morning paper Friday that the family of C. F. Druce at 655 North Sixth West street, quarantined for smallpox, had been left by those whose duty it is to look after the poor to starve, and that this had compelled Druce to break quarantine.

Mr. Sabine says that notice of the quarantine had been sent him in the regular course by the city board, and that he had sent down provisions worth \$5, which were hardly needed, as Druce is by no means a pauper. Sabine asked Druce if anything further was needed, and was told that the family had plenty of food.

The pauper clerk says that, so far from any neglect of the family, they had really received more attention than they had needed, and more than they would have received had it been known that Druce was a former smallpox sufferer and that he need not have been shut up.

## NEWBRO'S HERPICIDE

The ORIGINAL remedy that kills the dandruff germ.

Herpicide is the only remedy that strikes at the very root of hair trouble by destroying the dandruff germ, after which the hair is bound to resume its natural beauty and abundance.

The wonderful success of Newbro's Herpicide has brought out many preparations claiming to kill the dandruff germ. There is but one genuine dandruff germ destroyer and all other remedies, making such a claim, hope to trade upon the reputation of genuine Herpicide.

Just begin the use of Newbro's Herpicide in secret and see how soon your friends will notice the improvement in your hair.

A Pennsylvania woman, whose hair is of extreme length and beauty, writes: "I find that by the continued use of Herpicide my hair is growing longer and thicker than ever before."

Don't waste your money on new and untried remedies that claim to equal Herpicide when you can buy the original and genuine article at any drug store. Herpicide stops itching of the scalp almost instantly.

Send 10 cents in stamps to THE HERPICIDE COMPANY, Dept. 21, Detroit, Mich., for sample and booklet. One Dollar Bottles Guaranteed. At Drug Stores. When you call for Herpicide, do not accept a substitute. Applications at prominent Barber shops.
